

GZA GeoEnvironmental, Inc. Opens Portsmouth, NH Office

GZA GeoEnvironmental Inc., one of the area's leading environmental and geotechnical consulting firms, has opened a new office located at 155 Fleet Street in downtown Portsmouth, NH.

The Portsmouth location was selected to accommodate GZA's growing projects in the New Hampshire Seacoast area, Southern Maine and Boston's North Shore. Gary R. McAllister, P.E. has been named to lead the Portsmouth office. McAllister is a Sr. Project Manager and Geotechnical Engineer for GZA with 17 years experience, including four years leading a successful Portsmouth based geotechnical practice.

"We are pleased to expand our presence in the Portsmouth area," said William R. Beloff, President and CEO of GZA GeoEnvironmental, Inc. "The new Portsmouth office allows us to provide total coverage to the area and fits nicely between our two established offices in Portland and Manchester offering more convenience and ease of communications for our existing and future clientele."
